(EA UAG)

INTRAW Project Dissemination in Ukraine

Information materials for the project INTRAW translated into Ukrainian, present in the public domain and are concentrated on the Ukrainian part of the website of the Expert Advice of Union of Geologists of Ukraine (EA UAG) (<http://eauag.hol.es/>).

We fully popularize information about the project, its objectives, main tasks, plans for the future.

It is currently preparing a workshop intaw for the ukrainian national experts. After agreeing the time and place of the meeting will be posted on the website of EA UAG.

Envisaged the reports on the essence the INTRAW Project, its problems and methodology of work. Will be highlighted the main results of the work, the essence and the task of creating unified EU's database. The Workshop Program will be posted on the website later.
